

NAVIGATING THE ACADEMIC ROADMAP: A Lecture Series Designed for Junior Faculty

The goal of this series is to help junior faculty achieve success in their academic trajectory through lectures and discussions. This series will cover the listed topics and is designed for both clinicians and basic scientists.

October Program

Improving Your Negotiating Skills

This three-hour hands-on workshop includes a presentation, afterward facilitators will guide small groups through negotiations role-playing employing scenarios designed to utilize specific strategies. Scenarios will reflect real-life experiences from both basic and clinical science.
